## PROJECTS

- **Android Social Media Chat Application (Google Login & SignUp API used)** [Link](#)  
An innovative Android chat app designed for students, enabling seamless communication and collaboration with seamless Google Login and Signup for easy access and enhanced privacy.
- **Algorithm Visualizer Android App with Integrated AI ChatBot (Using OpenAI-API)** [Link](#)  
A comprehensive Android app combining algorithm visualization, extensive data structures, and examples empowered by an AI chatbot for enhanced understanding and exploration.
- **Ecommerce Food Delivery App (with RazorPay Payment Gateway)** [Link](#)  
A user friendly Android food delivery app integrating seamless e-commerce functionality and secure RazorPay payment gateway for convenient and safe transactions.

Technology used in above Projects:- JAVA , KOTLIN , OOPs , DSA , PHP , Firebase , MySQL , Retrofit , Volley (HTTP client) , RecyclerView , APIs , Google\_LoginSignUp , SharedPreferences , etc.

- **Sudoku Solver in JAVA** [Link](#)  
Concepts used: Matrix, Backtracking, etc.

## EDUCATION

- B.Tech in Computer Science | Haldia Institute of Technology, West Bengal (2021 - Present - 2025)
- | CGPA - 9.04 |  
XII (CBSE) | TULSI VIDYA NIKETAN , Varanasi, UP (2020)
- | 89.60% |

## SKILLS

- **Technologies :-** Android Development , Machine Learning(BASICS) , Front-end Development , MVVM Architecture , REST API , UI , MySQL , FireBase , Git & GitHub , Data Structure & Algorithms , OOPs , DBMS , etc.
- **Languages :-** Java , C , Python , Kotlin , PHP , HTML , Xml , CSS
- **Other :-** Regression , Classification , SVM , K-NN , Supervised Learning , Unsupervised Learning , Probability and Statistics

## Certificates

- Getting Started With Application Development 4E3DQA9ZCQYE (Google Cloud) [Verify](#)
- Introduction to Java and OOPs 4FJACLEBD6S [Verify](#)
- What is Data Science? JAR8BWBLK36D (IBM) [Verify](#)
- Bayesian Statistics: Techniques and Models QMRBZLNH2XHG [Verify](#)

### Languages

Hindi   
English 

### Other Skills

- Public Speaking
- Leadership
- Cricket
